

CHINATOWN MALL REDEVELOPMENT

Client Brisbane City Council Scope Exterior Signage Timeframe 2009 - 2010

The Chinatown Mall in Duncan Street, Fortitude Valley was first opened in 1987. In 2009 the Mall was redeveloped to a design produced by a collaboration between architects from Brisbane's sister city Shenzhen, Brisbane City Council and Urbis.

The new suite of signs reflect Chinese cultural elements whilst also referencing the modern redevelopment.
