

# KELVIN GROVE URBAN VILLAGE

Client Queensland Department of Housing /QUT Scope Wayfinding and Signage Timeframe 2004-05

Production budget: \$350,000.00

Kelvin Grove Urban Village is an inner city residential/ education precinct in Brisbane.

A range of sign types has been designed to address wayfinding and interpretation.

The gateway marker is intended to suggest the scale of the project hidden from view at the main entry.
