Client Brisbane City Council/Woods Bagot Scope Interior Signage and Graphics Timeframe 2004-2006

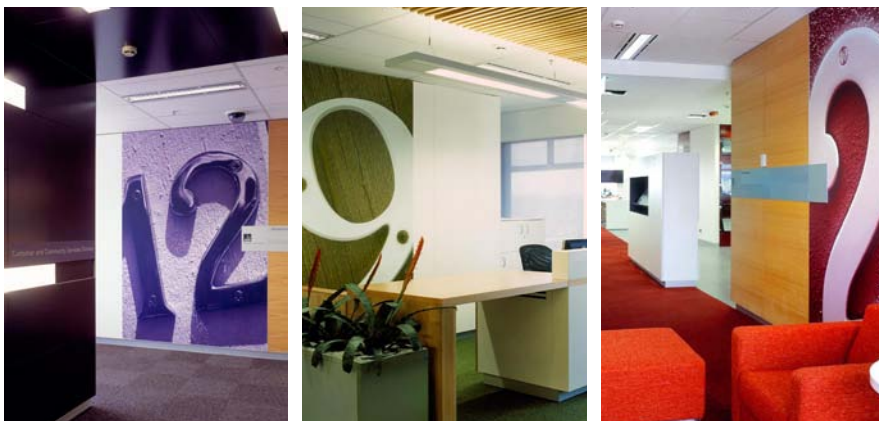

Level Identification Wall

Core Meeting Room Graphics - River

Core Meeting Room Graphics - Lattice

Interior signage and graphics were developed as part of the interior design by Woods Bagot.

The interior design was inspired by the themes of the traditional 'Queenslander' house. This was further developed in the graphic design.

Residential street numbers are substituted for level numbers in entry foyers.
